An ISO 9001:2008 certified company

**GENEE  
POWERBOARD**

# Powerboard

You can interact with the **Genee Powerboard** by using the pens provided, or even your fingers! The soft keys also enable you to programme short cuts for your presentation - making this one of the most affordable and content rich whiteboards around!

## **EASY TO USE**

Simply touch the Genee Powerboard with the Genee pen and run all computer functions, such as opening files, running digital video clips, or downloading free content from the Internet from the front of the class so there is no need to return to your computer and lose the students' attention.

Transform ...every Simple text or image...  
into a Visual Feast ... only with
